Seriously Moving Artwork for Our Generation

Posted on August 27, 2015 by admin

It's very rare that I'm moved by art, to be frank. I'm kind of pragmatic and busy. But [this link](#) crossed my path and stopped me in my tracks. Steve Cutts, whoever this guy is - is simply amazing. [Take a look](#) at each piece of art. Just let each one sink in and I'm convinced you might start to rethink the way you live a little bit. Thanks, Steve! Your work is forever emblazoned on my brain walls...
