BC, AB and SK Container Recycling Deposit Handling Fees

Posted on September 24,2015 by admin

Here are some interesting facts before I give you the links you want:

1. Only the three western provinces of Canada have a deposit / recycling fee system on their containers (BC, AB, SK)
2. There is no unified, one-stop website for someone to stay current on these ever-changing fees
3. Each province seems to have different fees, but even if they weren't different they seem to change every year

So, here is what you've all been waiting for. A blog post that pulls all these three provincial pages together in one convenient place you can bookmark in your browser (insert cheering crowd sounds):
[BRITISH COLUMBIA \(BC\) DEPOSIT RECYCLING FEES \(ENCORP\)](#) [ALBERTA \(AB\) DEPOSIT RECYCLING FEES \(ABCRC\)](#) [SASKATCHEWAN \(SK\) DEPOSIT RECYCLING FEES \(SARCAN\)](#)
